## PRESENTATION / KNOW-HOW

### Le Lorrain

#### A French manufacturer of flame welding material

HAMPIAUX SAS, manufacturer of flame welding equipment from the brand LE LORRAIN is situated in Nancy, in the earth of Lorraine, crossroads of Europe.

The company manufactures 95% of its production by itself, that is to say 4 ranges of flame welding products: torches, pressure reducers, non-return valves and quick release connectors.

The factory includes 4 workshops: machining, assembling, surface treatment and warehousing / dispatching. HAMPIAUX can deliver within 2 days, on simple request, the standard products.

Furthermore, flexible workshops allow HAMPIAUX to provide all special fabrication within very short term. Its products are only dispatched by specialized distributors, for who HAMPIAUX stockpiles several thousands of prepacked items.
