Turnover (2015) : 800 K€  
part of the turnover on the export  
(market) (2015) : 20%  
Employees : 8

## COMO

### PRESENTATION / KNOW-HOW

Since 1970, the company has been supplying French and European industry with high quality precision engineering products, produced in its plant in Courbevoie near Paris. These products have all become leading references in their fields: **ARI** pin gauges, **TOTALDATOR** hydraulic nuts and hydraulic chucks, **SERVEX** thread cutting devices and **SPIREX** lathe dogs.

COMO also provides general or precision engineered parts for its customers.

COMO, **provider of high quality and high precision products**, with the manufacturing of leading brands such as ARI pin gauges and also ensures **unbeatable delivery times to its customers**: 24 hours for pin gauges, 3 weeks for hydraulic nuts.

### MARKETED PRODUCTS

Tapping devices, attachments, spindles	1					
Expanding mandrels		2				
Clamping devices, hydraulic		2				
Parts, Components, Accessories	1	2	3	4		
Hydraulic and pneumatic components		2				
Pumps		2				
High pressure pumps		2				
High pressure lines and hoses, flexible tubing		2				
Gaskets		2				
others hydraulic and pneumatic components		2				
Measuring					5	
Gauges and calipers					5	
Thread measurement					5	

### BRANDS PORTFOLIO
