PRESENTATION / KNOW-HOW

BAG2PACK is a SME Company created in 2007 by 3 R&D and commercial executives of former Company PREPAC ("Berlingot DOP"-L'OREAL inventor). BAG2PACK has been built on a 20 years experience in the fields of **design & conception, development, industrialisation of packaging material and technologies for liquids**. The company already has a large network of sole agents, distributors over more than 30 countries in the world.

Main activities of BAG2PACK:

- After sales service for genuine spare parts of PREPAC VFFS packaging units;
- Manufacturing and sales of VFFS packaging lines for standard pillow pouches;
- Design, manufacturing and sales of specific filling lines as well as sepific packaging material (film reels) for liquids in new pouch concept ELIPSE®.

BAG2PACK is specialised in **agrofood** and **cosmetic** sectors.
