KADANT LAMORT

PRESENTATION / KNOW-HOW

KADANT is a global supplier of high-value, critical components and engineered systems used in process industries worldwide.

KADANT LAMORT is focusing mainly on stock preparation, approach flow, global water treatment and managements, chemical pulp processes, reject handling and way to extract values from solid rejects and sludges, virgin fiber processing and refining.

KADANT also offers a wide range of services to help customers improve fiber yield and **fiber processing efficiency**. With KADANT's original parts and services, customers benefit from **product enhancements, process audits and the use of a Technology Centre** to test their new product concepts.

KADANT launched its **Foundations Fiber Products Line**, this initiative positions our flagship fiber processing equipment, expertise and services together as a family of innovative critical solutions for the fiber processing industry.

MARKETED PRODUCTS

Equipment for stock preparation, paper/board	1						
Paper machine parts and elements for paper machines and auxiliary circuits	1						
Doctors (blade-holders, blades)	1						
Maintenance services	1						

BRANDS PORTFOLIO

1 KADANT

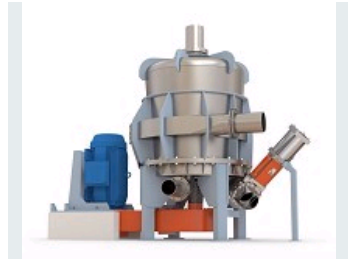

BoosTEK™ PACK DE PERFORMANCE: DESIGNED FOR FINE SCREENING SYSTEMS ; THIS TECHNOLOGY IMPROVES THE PERFORMANCE OF THE SCREEN.

HELI-DRUM: PULPING PERFECTION WITH SUPERIOR INK DETACHMENT & DISPERSION

HYDRAFLOW™: INNOVATIVE CONTINUOUS DETRASHING DEVICE FOR LOW CONSISTENCY PULPER

ROTOFLEX™: A NONE ENERGY FIBER RECOVERY DEVICE

NEW AND KEY PRODUCTS

- **BoosTEK™** : increase capacity, reduce energy, reduce losses for any screen existing on the market via an external device.
- **Heli-Drum** Pulping System: pulping perfection with superior ink detachment and dispersion
- **Hydraflow™** and **CLD**: innovative continuous detraging device for low consistency pulper
- **Rotoflex™**: a none energy fiber recovery device
- **Technology Centre** upgraded with a lot of new possibilities.

MAIN CUSTOMERS

ALL MAIN PLAYERS IN PACKAGING GRADES - TISSUE - GRAPHIC PAPER - SPECIALITY PAPER SUCH AS CIGARETTE PAPER - BANK NOTES - FILTER PAPER...
